TASTING NOTES: "The 2021 Chardonnay Sta. Rita Hills offers a richer, nicely oaked profile that includes honeyed stone fruits, toasted spice, crushed stone, and salted citrus-like nuances. It's rich, medium to full-bodied, and has a concentrated, mouth-filling profile that's grounded by a beautiful spine of vibrant acidity. It benefits from air, and this is another awesome Chardonnay from this team that readers will absolutely love."
